A.Shankara Narayanan

Full Stack Developer

shankaranarayanan000@gmail.com +91 7200215119 Shankara Narayanan Portfolio

Astamil-24

Summary

Aspiring Full Stack Developer with hands-on experience in HTML, CSS, JavaScript, React, Python, Django and SQL . Passionate about creating responsive web applications and continuously improving technical skills through real-world projects and self-learning.

Internship

DELOITTE TECHNOLOGY JOB SIMULATION, *VIRTUAL EXPERIENCE*

- Assisted in combining Python scripts related to IIoT telemetry data processing and dashboard functionality.
- Worked with existing codebases to standardize data flow between different modules.

Education

Bachelor of Engineering (B.E.) - Computer Science And Engineering, 2022 – 2026

T.J.S Engineering College Chennai , Tamil Nadu

Skills

- Frontend Technologies: HTML5, CSS3, JS, React.js
- Backend Technologies: Python, Django
- Database: MySQL
- Tools: GitHub, VS Code

Projects

Fish Feed Recommendation System, *React Js , Django , MySQL*

• Built a machine learning model using a training dataset to predict food suitability for different fish species.
• Developed REST API endpoints using Django to provide fish details and recommendation results.
• Created a React frontend for selecting fish and displaying recommended food and feed information.
• Integrated fish, food, and feed data with the Django backend for dynamic recommendations.

Grocery Shop Management System, *HTML, CSS, JavaScript*

- Developed a responsive web-based Grocery Shop Management System to manage products.
- Implemented CRUD operations to add, update, delete, and search grocery products.
- Designed a billing system to calculate totals and generate invoices for customers.
- Utilized Local Storage to persist product and transaction data without a backend database.

Weather App, *React*

- Developed a responsive weather application using React.
- Implemented city-based search to display real-time weather information.
- Displayed temperature, humidity, wind speed, and weather conditions with icons.
- Added Celsius/Fahrenheit conversion and error handling for invalid searches.

Certificates

- Inetz: JavaScript Certification
- Scaler Topics: Python for Beginners
- Deloitte Virtual Internship (Forage): Data Integration & Dashboard Design
